

Year 3 Spring 1

Curriculum Overview

# Tomb Raiders

## Maths

As mathematicians, we will continue our work on multiplication and division before moving onto length and perimeter.

## English

As authors we will be reading the story of the Egyptian Cinderella and creating our own traditional tale with an Egyptian twist.

## Science

As scientists, we will be investigating the human skeleton and how it moves compared to other animals.

## History

In history, we still study the ancient civilisation of the Egyptians and how the Pharaohs ruled. We will explore key events, religious ceremonies as well as what they would eat and drink.

## Computing

We will be learning how to program 'sprites' in scratch to move and playing different sounds.

## Physical Education

In our dance lessons, we will be learning how to perform in unison, canon and freestyle. We then be combining these skills to create a group dance.

## French

In our language lessons, we will be learning to follow simple instructions in French. We will also recognise the names of some animals and begin to describe their colour.

## Art

As artists we will study Egyptian artwork and make our own paper to produce our final pieces on.

## PSHE

In our PSHE lessons we will be thinking about our dreams and goals. We will identify goals that are important to us and identify steps to achieve these.

## Religious Education

In our RE lessons, we will be examining the questions 'Could Jesus heal people? Did he perform Miracles?' We will learn about some of the the miracles that Christians believe Jesus performed.
